1. Overview of EIT Urban Mobility

EIT Urban Mobility, supported by the European Institute of Innovation and Technology (EIT), acts to accelerate positive change on mobility to make urban spaces more livable.

EIT Urban Mobility is an initiative of the European Institute of Innovation and Technology (EIT). Since January 2019 we have been working to encourage positive changes in the way people move around cities in order to make them more livable places. We aim to become the largest European initiative transforming urban mobility. Co-funding of up to € 400 million (2020-2026) from the EIT, a body of the European Union, will help make this happen.

*We create systemic solutions that will **move more people around the city more efficiently and free up public space.***

*We bring **all key players in urban mobility together** to avoid fragmentation and achieve more.*

*We **engage cities and citizens** from the word go, giving them the opportunity to become true agents of change.*

The EIT Urban Mobility S.L delivers breakthrough innovations to the market and breeds entrepreneurial talent for economic growth and improved quality of life in Europe. It does this by mobilising a pan-European ecosystem of European corporations, SMEs, start-ups, universities, and research institutes.

As a Knowledge and Innovation Community (KIC) of the European Institute of Innovation and Technology (EIT), the EIT Urban Mobility S.L is focused on entrepreneurship and is at the forefront of integrating education, research, and business by bringing together students, researchers, engineers, business developers and entrepreneurs. This is done in a pan-European network of Co-Location Centers (CLCs), 5 Limited Liability Companies respectively based in Germany, Czech Republic, Denmark, the Netherlands and Spain and the EIT Urban Mobility Foundation.

We create systemic solutions that will move more people around the city more efficiently and free up public space.

We bring all key players in urban mobility together to avoid fragmentation and achieve more.

Supplier may conduct its business activities from its own premises but may be requested to operate from EIT UM's premises whenever it is necessary for the performance of the Services. Supplier shall arrange their own travel, should they need to travel in order to performe the Services. When performing the Services, Service Provider shall use its own tools and materials, work forces. Supplier shall be fully responsible for the proper execution of this Agreement in all respects.

Supplier shall use personnel who possess the qualifications and experience necessary for the performance of the Services. Additional requirements relating to personnel may be provided in Annex 1, as the case may be.

Unless otherwise specifically provided under Annex 1, Supplier may subcontract part of the provision of the Services to subcontractors, provided such subcontractors are contractually bound by similar obligations as under this Agreement, and provided Supplier has disclosed the elements of the Agreement to be subcontracted and the identity of the relevant subcontractor to the subcontracting. Supplier remains at all times responsible for the work performed by its subcontractors and for the acts, defaults and negligence of such subcontractors, and no subcontract shall create any contractual relationship between any subcontractor and EIT UM. Additional requirements relating to subcontracting may be provided in Annex 1, as the case may be.

In order for EIT UM and Supplier to monitor the proper performance of the Services throughout the Term of the Agreement (as described in Article 0 below), Supplier shall report to EIT UM progress of the performance of the Services, in writing, at intervals and under

conditions specified under Annex 1. Supplier shall provide EIT UM with time sheets describing the tasks performed by Supplier and the time spent on each task, pursuant to the regularity provided under Annex 1 and pursuant to the time sheet template provided by EIT UM separately.

If, for whatever reason, Supplier is not able to perform the agreed Services, or is not able to meet the deadlines agreed in Annex 1, Supplier shall notify EIT UM hereof promptly in writing, and shall take any reasonable measure to mitigate the consequences of such situation, in agreement with EIT UM.

Services delivered are subject to the acceptance of EIT UM. EIT UM shall issue a performance certificate after completion of Services. Should EIT UM fail to reject part or all of the Services provided within fifteen (15) (or other deadline set forth in Annex 1) calendar days as from such delivery, on the grounds of a lack of quality or compliance, or because of late delivery, Services shall be considered as accepted. Should EIT UM reject a Service (within the above deadline) because of lack of quality or compliance, and such failure is capable of remedy, Supplier shall re-perform the rejected (part of the) Service promptly (but no later than five (5) calendar days in absence of any further instructions) at no additional charge for EIT UM. Should such failure be not capable of remedy (given the type of Service and/or the extent of the failure) or should the delivery have occurred after an essential delivery deadline which renders the Service irrelevant or useless, the Services at stake shall be considered as rescinded, and EIT UM is not obliged to provide any compensation to Supplier for such Services.

Modifications to the Services and/or other provisions of this Agreement may only be agreed by the Parties as per the EIT UM procurement rules, i.e. if:

- (a) mutually agreed in writing, and
- (b) the need for modification has been brought about by circumstances which a diligent contracting entity could not foresee; and
- (c) the modification does not alter the overall nature of the contract; and
- (d) any increase in price is not higher than 25 % of the original value of the Agreement. In addition, if several successive increases in price would be agreed, the total cumulating of such successive increases shall not exceed 25% of the original value of the Agreement; and
- (e) modifications above 10% of the original value of the Agreement should only amend specific conditions of the Agreement and be made by way of an amendment to this Agreement signed by both Parties.

Compensation, invoicing and payment, expenses

Supplier is entitled to charge, in respect of Supplier’s Services as described under Annex 1, the compensation specified in Annex 1 per Service.

Supplier may only charge the amounts under Article 0 corresponding to the delivered Services, after acceptance of such Services by EIT UM.

Further, Supplier may only charge the amounts under Article 0 subject to (i) EIT UM having received a correct invoice bearing the essential elements below, (ii) all relevant progress reports relating to the delivered Services so invoiced having been properly delivered to EIT UM in a timely manner and accepted by EIT UM in writing (as the case may be).

An invoice shall be considered as correct when containing the following essential elements:

- (a) the name and address of Supplier
- (b) the VAT identification number of Supplier
- (c) the VAT identification number of EIT UM
- (d) the name and address of EIT UM
- (e) the invoice number
- (f) the invoice date
- (g) the date on which the Services were supplied (provided EIT UM has accepted them pursuant to this Agreement)
- (h) the quantity and type of goods supplied (if applicable)
- (i) the nature and type of Services supplied
- (j) the following data for every VAT tariff or exemption:
 - the price per piece or unit, excluding VAT
 - any reductions that are not included in the price
 - the VAT tariff that has been applied
 - the cost (the price excluding VAT)
 - in case of advance payment: the date of payment, if this is different from the invoice date
 - the amount of VAT

By deviation to Article 0, Supplier may charge the amounts under Article 0, at the beginning of each (quarterly, monthly or other) period specified in Annex 1, if such alternative is specifically agreed by EIT UM in Annex 1. In such a case, requirements of Article 0 shall apply to each regular invoice.

The payment term applying to Supplier invoices fulfilling the requirements of this 0 is fixed in Annex 1.

All amounts corresponding to the compensation per Service, as fixed in Annex 1, shall be fixed tariffs, which may not be revised during the Term of this Agreement (as described in Article 0 below), unless specifically provided otherwise in Annex 1 (and within the limits of the price revision mechanisms authorised under the procurement procedure).

Supplier may charge expenses to EIT UM, to the extent Annex 1 provides for such possibility. Expenses shall only be paid if EIT UM has given its written approval prior to Supplier incurring said costs.

If Supplier fails to fulfil any of its obligations under the Agreement, EIT UM may suspend payment to Supplier, upon notice to Supplier.

Supplier hereby unconditionally accepts that EIT UM has the right to set off any amount that EIT UM owes to Supplier under this Agreement, with any amount Supplier owes to EIT UM under this Agreement or any other agreement.

Taxes, other contributions, no employment agreement and related indemnification

All tariffs are gross amounts but exclusive of any value added tax (VAT), sales tax, GST, consumption tax or any other similar tax (“**Taxes**”).

If the Services under this Agreement are subject to any other Taxes, Supplier may charge such Taxes to EIT UM, which taxes shall be paid by EIT UM in addition to the compensation for Supplier. Supplier is responsible for paying any applicable Taxes to the appropriate (tax) authorities.

In addition to Articles 0 and 0, all social security, fiscal charges or taxation of any kind and contributions of any kind including but not limited to value added, levies, withholdings, unemployment, medical insurance and insurance of any kind, pensions, national insurance contributions and social security benefits, as imposed by any law, accommodation and travel costs, living expenses, or other expenses and charges arising from this Agreement, will be the exclusive responsibility of Supplier, who must pay such taxes, charges, any kind

of expenses and contributions directly to the competent authorities or employees (as the case may be) (altogether called “**Contributions**”).

Supplier shall perform the Services hereunder as an independent contractor and not as an agent of EIT UM and nothing contained in the Agreement is intended to create a partnership, joint venture or employment relationship between the Parties irrespective of the extent of economic dependency of Supplier on EIT UM.

Supplier shall indemnify and keep EIT UM harmless from any claims from any authority for payment of any Contributions, including all interest charged in respect thereof, surcharges and possible administrative fines in connection with the Services performed by Supplier on the basis of the Agreement.

Intellectual property, ownership and licensing, IP infringement indemnification

“**Intellectual Property Rights**” or “**IP**” shall mean patents, utility certificates, utility models, (industrial) design rights, copyrights, database rights, trademarks, trade names and trade secrets, including moral rights and any applications, renewals, extensions, combinations, divisions, discontinuations or re-issues of the foregoing.

Unless expressly specified otherwise in Annex 1, should the performance of the Services entail the delivery of (written) advice, reports or any other materials or results (“**Deliverables**”), the ownership of any Intellectual Property Rights in such Deliverables shall be vested in EIT UM.

In addition to Article 0, any item provided by EIT UM (or by a third party designated by EIT UM on behalf of EIT UM) and used to perform the Services and/or embedded in the delivered Services, shall at all times remain the ownership of EIT UM. Supplier shall have no right, title or interest in any of these items nor any trademark or trade name from EIT UM.

By exception to Article 0, Intellectual Property Rights owned or controlled by Supplier before the start of the performance of the Services shall remain the ownership of Supplier (“**Background IP**”).

Supplier hereby grant a non-exclusive, royalty-free and fully paid-up, worldwide, irrevocable and perpetual license under its Background IP used for the performance of the Services, to EIT UM, with the right to sublicense, for the use, make, have made, build-in, market, sell, lease, license distribute and/or otherwise dispose of the Services and/or Deliverables.

Supplier shall not, without EIT UM’ prior written consent, publicly make any reference to EIT UM, whether in press releases, advertisements, sales literature or otherwise.

Unless expressly specified otherwise in Annex 1,

Supplier shall indemnify and hold harmless EIT UM, its Affiliates, partners, contractors and employees in respect of any and all claims, damages, costs and expenses (including but not limited to loss of profit and reasonable attorneys' fees) in connection with any third party claim that any of the Services alone or in any combination or their use infringes any third party IPRs, or, if so directed by EIT UM, shall defend any such claim at Supplier's own expense. By "**Affiliates**" is meant any and all companies, firms and legal entities with respect to which now or hereafter EIT UM, directly or indirectly holds 50% or more of the nominal value of the issued share capital or 50% or more of the voting power at general meetings or has the power to appoint a majority of directors or otherwise to direct the activities of such company, firm or legal entity, including but not limitedly through a domination agreement.

EIT UM shall give Supplier prompt written notice of any such claim, provided, however, any delay in notice shall not relieve Supplier of its obligations hereunder except to the extent it is prejudiced by such delay. Supplier shall provide all assistance in connection with any such claim as EIT UM may reasonably require.

If any Services alone or in any combination, provided under the Agreement are held to constitute an infringement or if their use is enjoined, Supplier shall, as directed by EIT UM, but at its own expense: either 1) procure for EIT UM or its users the right to continue using the Services alone or in any combination; or 2) replace or modify the Services alone or in any combination with a functional, non- infringing equivalent.

If Supplier is unable either to procure for EIT UM the right to continue to use the Services alone or in any combination or to replace or modify the Services alone or in any combination in accordance with the above, EIT UM may terminate the Agreement and upon such termination, Supplier shall reimburse to EIT UM the price paid, without prejudice to Supplier's obligation to indemnify EIT UM as set forth herein.

Confidentiality, documents

"**Confidential Information**" means any and all proprietary and/or confidential data and information, such as but not limited to commercial and/or technical information, that EIT UM, its Affiliates or representatives may disclose directly or indirectly, whether in writing or any other form, to Supplier that is related to the Service, which (a) is marked as "confidential" or "proprietary" or words of similar import when disclosed, and (b) is orally disclosed and is summarized and described as confidential in a writing that is delivered to Supplier within fifteen (15) days of disclosure.

During the period beginning on the Effective Date (as specified in Annex I) and continuing for a period of five (5) years thereafter (the “**Confidentiality Period**”), Supplier agrees not to: (i) use EIT UM’ Confidential Information for any purpose other than for the Service; and (ii) disclose EIT UM Confidential Information to any third party, except to its employees and other persons under its supervision that are operating within its organization, including without limitation, its Partners’ employees who (A) have a legitimate “need to know” to accomplish the Service, and (B) are obligated to protect such Confidential Information pursuant to terms and conditions not less restrictive than those contained in this Agreement. Supplier shall protect EIT UM’ Confidential Information as required hereunder using the same degree of care, but no less than a reasonable degree of care, as Supplier uses to protect its own confidential information of a like nature.

Supplier’s obligations above shall not apply to any data or information that it can prove: (a) is lawfully available to EIT UM, prior to the time of receipt from EIT UM as verified by written records; (b) is or becomes publicly available without violation of this Agreement or any other obligation of confidentiality and through no act or omission of Supplier; (c) is lawfully furnished to Supplier by a third party without use or disclosure restrictions; or (d) is developed by Supplier without use of or reference to any of EIT UM’ Confidential Information. Furthermore, a disclosure by Supplier that is required pursuant to any judicial or governmental proceeding shall not be considered a breach of this Agreement, provided that Supplier promptly after learning of such action shall notify, to the extent permitted by applicable law, EIT UM thereof to give Supplier the opportunity to contest disclosure or to seek any available legal remedies to maintain such information in confidence.

Supplier is not permitted - alone or with or through others – to remove, dispatch, transmit or allow any third parties to inspect, use or otherwise have access to any property belonging to EIT UM or any of its Affiliates, including but not limited to any notes, drawings, letters, formulas, recipes, other documents and/or any copies thereof, tools, designs, products manufactured or (copies of) computer files or other data carriers, unless EIT UM has given its prior written permission to any such action.

EIT UM shall remain the owner of all property it has made available to Supplier in connection with this Agreement.

Supplier shall make all property belonging to EIT UM (or its Affiliates) such as, but not limited to any notes, drawings, letters, formulas, recipes, other documents and/or copies of such matters, tools, models, finished products, (copies of) automated files or other data carriers, which come into its possession during the term of this Agreement, available to EIT UM in good condition immediately upon initial request, but in any case on the day on which the Agreement ends.

Personal data

For the purpose of this Agreement,

- **“Personal Data”** shall mean any and all information relating to an identified or identifiable individual, including but not limited to EIT UM current or former employees, employee family members, dependents or beneficiaries, customers, consumers, suppliers, business partners or contractors;
- **“Processing”** shall mean any operation or set of operations performed or to be performed upon Personal Data, whether or not by automatic means, such as creation, access, collection, recording, organization, storage, loading, employing, adaptation or alteration, retrieval, consultation, displaying, use, disclosure, dissemination or otherwise making available, alignment or combination, blocking, erasure or destruction (hereinafter also referred to as a verb **“Process”**).

Where Supplier in the performance of the Agreement Processes Personal Data, then Supplier agrees and warrants that Supplier shall:

- (a) comply with all privacy and data protection law and regulations applicable to its Services;
- (b) Process Personal Data only (i) on behalf of and for the benefit of EIT UM, (ii) in accordance with EIT UM’ instructions, and (iii) for the purposes authorized by this Agreement or otherwise by EIT UM, and (iv) insofar necessary for the Services rendered to EIT UM and as permitted or required by law;
- (c) maintain the security, confidentiality, integrity and availability of the Personal Data;
- (d) implement and maintain appropriate technical, physical, organizational and administrative security measures, procedures, practices and other safeguards to protect the Personal Data against (i) anticipatable threats or hazards to its security and integrity; and (ii) loss, unauthorized access to, or acquisition or use of or unlawful Processing; and
- (e) promptly inform EIT UM of any actual or suspected security incident involving the Personal Data.

To the extent that Supplier allows a (sub)contractor to process the Personal Data, Supplier shall ensure that it binds such (sub)contractor to obligations which provide a similar level of protection, but in no way less restrictive, as this O.

Supplier shall, upon the termination of the Agreement, securely erase or destroy all records or documents containing the Personal Data. Supplier accepts and confirms that it is solely liable for any unauthorized or illegal processing or loss of the Personal Data, if Supplier fails to erase or destroy the Personal Data upon termination of the Agreement.

Supplier shall indemnify and hold harmless EIT UM, their officers, agents and personnel from any damages, fines, losses and claims arising out of a breach of this O.

Liability, indemnification, insurance

Supplier shall indemnify and hold harmless EIT UM, its Affiliates, agents and employees, from and against all suits, actions, legal or administrative proceedings, claims, demands, damages, judgments, liabilities, interest, attorneys' fees, costs and expenses of whatsoever kind or nature (including but not limited to special, indirect, incidental, consequential damages), whether arising before or after completion of the performance of the Services covered by the Agreement, in any manner caused or claimed to be caused by the acts, omissions, faults, breach of express or implied warranty, breach of any of the provisions of this Agreement, or negligence of Supplier, or of anyone acting under its direction or control or on its behalf, in connection with Services or any other information furnished by Supplier to EIT UM under the Agreement.

Supplier warrants that it has taken out sufficient insurance against the aforementioned damage, costs and interest, or has made a sufficient provision for this purpose and is obliged to fully disclose to EIT UM immediately upon initial request all the (policy conditions of the) aforementioned insurance(s) and/or provisions. Supplier shall indemnify EIT UM and shall pay its insurance proceeds to EIT UM and furthermore indemnify for the excess amount of the total claim of damages that is not covered by the insurance of Supplier or any other insurance. EIT UM shall be entitled to take legal action against Supplier.

Neither Party excludes or limits its liability for death or personal injury arising from its own negligence, fraud, breach of confidentiality or for any liability that cannot by law be excluded or limited.

Subject to Article O, in no event shall EIT UM be liable under any theory of liability, for indirect, incidental, special, consequential or punitive damages, which includes without limitation damages for lost profits or revenues, lost business opportunities, loss of image or lost data, even if EIT UM has been advised of the possibility of such damages and in no event shall EIT UM be liable to Supplier, its successors or assigns for damages in excess of the amount due to Supplier for complete performance under the Agreement, less any amounts already paid to Supplier by EIT UM.

Subject always to Article O, depending on the nature of the Services and the liability risk associated therewith, a cap to the liability of Supplier under this Agreement may apply only if expressly mutually agreed in writing in [Annex 1](#).

Suspension, termination of the Agreement

The Agreement is entered into as from the Effective Date (as specified in [Annex 1](#)) and shall end by operation of law, without the requirement of prior notice of termination, on the date the last of the Services have been delivered by Supplier, accepted and paid by EIT UM (the “Term”).

As an exception to the above, EIT UM may suspend, withdraw, dissolve or terminate this Agreement fully or partially with immediate effect without incurring any penalty or compensation if and as soon as:

- (a) Supplier breaches any of its material obligations under this Agreement and, notwithstanding a written request from EIT UM to repair the current breach and to take appropriate measures to prevent such a breach in the future, fails to comply with such a request within a reasonable deadline fixed by EIT UM in the notice; or
- (b) EIT UM, in its reasonable discretion, determines that Supplier is not able to perform the Services as required; or
- (c) Supplier fails to provide EIT UM with adequate assurance of performance following request by EIT UM; or
- (d) Supplier files a petition for bankruptcy or is declared bankrupt; or
- (e) Supplier has become unable to pay its debts as they fall due or make any special arrangement(s) or composition with its creditors;
- (f) Supplier enters into voluntary or judicial liquidation;
- (g) the business of Supplier ceases to exist or control or ownership is taken over by a third party;
- (h) as a result of the termination of the european programme(s) which requested EIT UM to enter into this Agreement (as the case may be).

As from receipt of a termination notice from EIT UM (under any legal ground), Supplier shall take immediate steps to bring the terminated Services to a closure in a prompt and orderly manner and to reduce expenditure to a minimum.

Supplier may, after giving fourteen (14) calendar days written notice to EIT UM, terminate the Agreement if EIT UM:

- (a) Fails for more than one hundred twenty (120) calendar days to pay Supplier the amounts due after the expiration of the payment term stated in Article 0 or
- (b) Consistently fails to meet its material obligations after repeated reminders; or
- (c) Suspends the progress of the Services or any part thereof for more than ninety (90) calendar days for reasons not specified in the Agreement, or not attributable to Supplier’s breach or default.

Safeguarding of EU's financial interest and conflict of interest

Supplier accepts without reservation that during the implementation of the Agreement and for four (4) years after the completion of the Agreement, EIT UM has the right to transfer the tender proposal and the Agreement with Supplier to: (i) internal audit services; (ii) the EIT; (iii) the European Court of Auditors; (iv) the Financial Irregularities Panel or; (v) the European Anti-Fraud Office, for the purposes of safeguarding the EU's financial interests (**"Safeguarding the EU's financial interests"**).

Supplier confirms that it shall take all measures to prevent any situation where the impartial and objective implementation of the Agreement is compromised for reasons involving economic interest, political or national affinity, family or emotional ties or any other shared interest ('conflict of interests'). The contractor is obliged to inform EIT UM immediately if there is any change in the above circumstances at any stage during the implementation of the tasks under the Agreement.

Miscellaneous

All notices given under this Agreement shall be given in writing. Any subsequent change of address shall be promptly notified by the Party concerned to the other Party and embodied in an amendment to the preamble of this Agreement.

In the event that Supplier is prevented from performing any of its obligations under the Agreement for reason of force majeure (being an event unforeseeable and beyond the control of Supplier) and Supplier has provided sufficient proof for the existence of the force majeure, the performance of the obligation concerned shall be suspended for the duration of the force majeure. EIT UM shall be entitled to immediately terminate the Agreement by written notice to Supplier if the context of the non- performance justifies immediate termination, and in any event if the circumstance constituting force majeure endures for more than thirty (30) days and, upon such notice, Supplier shall not be entitled to any form of compensation in relation to the termination. Force majeure on the part of Supplier shall in any event not include shortage of personnel or production materials or resources, strikes, not officially declared epidemic or pandemic, breach of contract by third parties contracted by Supplier, financial problems of Supplier, nor the inability of Supplier to secure the necessary licenses in respect of software to be supplied or the necessary legal or administrative permits or authorizations in relation to the Services to be supplied.

Supplier shall not transfer, pledge or assign any of its rights or obligations under the Agreement without the prior written consent of EIT UM. Any such pre-approved, transfer, pledge or assignment shall be null and void and have no effect vis-à-vis such third party.

The rights and remedies reserved to EIT UM are cumulative and are in addition to any other or future rights and remedies available under the Agreement, at law or in equity.

Neither the failure nor the delay of EIT UM to enforce any provision of the Agreement shall constitute a waiver of such provision or of the right of EIT UM to enforce each and every provision of the Agreement.

No course or prior dealings between the Parties, no course of performance, and no usage of the trade shall be relevant to determine the meaning of the Agreement and to modify the provisions of this Agreement.

No waiver, consent, modification or amendment of the terms of the Agreement shall be binding unless made in a writing specifically referring to the Agreement signed by EIT UM and Supplier.

In the event that any provision(s) of this Agreement shall be held invalid, unlawful or unenforceable by a court of competent jurisdiction or by any future legislative or administrative action, such holding or action shall not negate the validity or enforceability of any other provisions of the Agreement. Any such provision held invalid, unlawful or unenforceable, shall be substituted by a provision of similar import reflecting the original intent of the clause to the extent permissible under applicable law.

All terms and conditions of the Agreement which are destined, whether express or implied, to survive the termination or the expiration of the Agreement, including but not limited to Intellectual Property, Confidentiality and Personal Data, shall survive.

The Agreement shall be governed by and construed in accordance with the laws of the country or state in which the EIT UM ordering entity is located, as applicable.

Supplier and EIT UM each consents to the exclusive jurisdiction of the competent courts in (i) the country or state in which the EIT UM ordering entity is located; or (ii), at the option of EIT UM, the jurisdiction of the entity of Supplier to which the order was placed, or (iii), at the option of EIT UM, for arbitration in which case Article 0 applies. Supplier hereby waives all defences of lack of personal jurisdiction and forum non-convenience.

If so chosen by EIT UM in accordance with Article 0, any dispute, controversy or claim arising out of or in connection with this Agreement, or their breach, termination or invalidity shall be finally settled solely under the International Chamber of Commerce Rules of arbitration (ICC), which Supplier and EIT UM declare to be known to them. Supplier and EIT UM agree that: (i) the appointing authority shall be the ICC-International Chamber of Commerce of Paris, France; (ii) there shall be three (3) arbitrators; (iii) arbitration shall take place in the

jurisdiction of the EIT UM entity mentioned in the recitals or, at the option of EIT UM, the jurisdiction of Supplier's entity mentioned in the recitals; (iv) the language to be used in the arbitration proceedings shall be English; and (v) the material laws to be applied by the arbitrators shall be the laws as determined under Article 0.

The United Nations Convention on International Sale of Goods shall not apply to the Agreement.
